## **DETAILED ACTION**

### ***Priority***

The previous office action stated acknowledgment of applicant's claim for foreign priority under 35 USC 119(e), based upon provisional application 60/333,941 (filed November 28, 2001). To rectify the application record, this should have been an acknowledgement of *domestic* priority to the above listed provisional application.

### ***Drawings/Specification***

The drawings and specification as amended by the applicant are acceptable.

### ***Allowable Subject Matter***

Claims 1-30 are allowed.

The following is an examiner's statement of reasons for allowance: reasons for indicating claims 1-30 as allowable were established and made of record in the previous *Ex Parte Quayle* office action, dated April 22, 2004.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
